OUR PACKAGES

MEETINGS & EVENTS

Bleisure DMC feels that extra attention to detail makes the difference. Our dedicated team will go the extra mile to ensure that your corporate event is original, sustainable, and runs smoothly from start to finish.

INCENTIVES

We search for inspiration just behind our neighborhood, untouched nature, intangible heritage of southern Serbia, and two millennium's old history of Niš. Taking care of the green footprint behind us, we suggest an extraordinary Fungry outdoor cooking team building, wine & gastro routes, and adventures.

MARKETING

We create memorable experiences to wow your attendees with digital invitations, event guidebooks, digital swag bags, natural gifts... Personalized web page for large events and mobile applications.
